2018 IMPACT REPORT

NORTON
HEALTHCARE
FOUNDATION

Children's
Hospital
Foundation

DEAR FRIENDS OF THE CHILDREN'S HOSPITAL FOUNDATION AND NORTON HEALTHCARE FOUNDATION:

On behalf of the thousands of patients cared for by Norton Healthcare each year, thank you for supporting Norton Healthcare's two philanthropic foundations.

Your generosity helps us support care and services for children and adults at Norton Healthcare's five hospitals and numerous outpatient facilities. Because of you, we are able to help provide programs, equipment and facilities, research and education to ensure high-quality care is always available and accessible in our community.

We know that every moment matters — whether it is the moment parents first hold their newborn baby or when we celebrate at a child's end-of-chemo party or when a stroke is stopped in its tracks. Countless moments have been made possible for our patients and their families because of your generous support.

Thank you for your investment in Norton Healthcare so that together, we can continue to provide quality, compassionate health care and help our fellow community members enjoy the moments that matter most.

WHO WE ARE

MOMENTS MATTER. THEY CAN TRANSFORM A LIFE, BUT BLINK AND YOU MISS THEM.

Norton Healthcare's mission is to provide quality health care to all those we serve, in a manner that meets the needs of our community — from the tiniest premature infants to our eldest community members and everyone in between. For more than 130 years, Norton Healthcare has been part of life-transforming moments for our patients. The care we provide is rooted in our mission and helps our patients get back to the moments that matter most to them.

As a not-for-profit system, we rely on your support to continue transforming lives in our communities. Your generosity helps to fund critical equipment and services that make lifesaving differences for our patients. Our legacy is driven by those who enter our doors, and we hope to continue serving our community for the next 130 years and beyond.

WAYS TO GIVE

There are numerous ways you can support the vital, lifesaving work provided by the caregivers at Norton Hospital, Norton Children's Hospital, Norton Children's Medical Center, Norton Women's & Children's Hospital, Norton Children's Medical Associates pediatric practices, Norton Audubon and Norton Brownsboro, such as through gifts of cash, appreciated stock or naming Norton Healthcare Foundation or the Children's Hospital Foundation as a beneficiary in your will or trust.
