Welcome to your 2022 benefits

We are pleased to provide you with a comprehensive and competitive total rewards package, with new options and enhancements for 2022.

Your commitment to providing safe, compassionate and quality care for our patients and families is greatly appreciated. We recognize that working in health care is difficult, particularly during a pandemic, which is why we are committed to ensuring you have access to wide-ranging benefit options that meet your individual and family's needs for overall health and improved well-being.

As a Norton Healthcare employee, you are eligible for a variety of valuable benefits, such as medical and dental insurance, vision coverage, life insurance, disability and retirement savings programs. We also offer additional services, including flexible spending accounts, adoption assistance, identity theft protection and the N Good Health wellness program. And, this year we enhanced our Employee Assistance Program, as well as our bereavement leave policy.

Our goal is to make your benefits enrollment experience as easy as possible. In this guide, and the corresponding Quick Enrollment Guide, you will find details on everything listed above and much more, so you can choose the benefits that work best for you. Being knowledgeable about what is offered is the best way to get the health care coverage you need and the most value from your Norton Healthcare benefits. A dedicated and experienced benefits team is here to help you make the most of your benefits and support you throughout the year. If you have questions about your benefits or want to set up a one-on-one appointment with a benefits education specialist, call **(502) 629-BENE (2363)**, option 2, or email benefitsdepartment@nortonhealthcare.org.

We know that you do so much to care for our patients, families, community and one another, but it also is important to take care of yourself. We encourage you to take the time to review this guide to make informed benefits selections. Thank you for your commitment to Norton Healthcare and the patients we serve.

Make a career out of making a difference

Working at Norton Healthcare is like working with family. We pride ourselves on our family-like culture. As the area's most preferred provider, we strive daily to be the friendliest, safest and easiest to use health care system in our market. That culture is based on a set of values and a mission to serve our community.

Our employees understand we are in the "people business" and that we are here to make a difference in the lives of others every single day. And while you are caring for others, our leaders are committed to caring about you and your work.

As a Norton Healthcare employee, here's what you can expect when you come to work each day, as well as what we expect from you.

What you can expect from Norton Healthcare:

- A workplace built on our mission and values
- Leaders committed to trust, clarity and teamwork
- Resources you need to provide the best possible care for our patients and their families
- Work that makes a difference in people's lives
- Credit and thanks for a job well done
- Competitive pay and benefits
- The chance to shape your future through education and growth

What Norton Healthcare expects from you:

- Live our mission and values every day
- Treat all patients, visitors and co-workers as you would like to be treated
- Be flexible and take ownership
- Always be friendly and caring to patients, visitors and co-workers
- Support your peers in every role and at every level

What's new for 2022

Medical plans

We are making several changes to the rates, copays and deductibles of our medical plans. Tier 2 deductibles have increased by \$500 for single and by \$1,000 for family coverage. Office visits at Tier 2 immediate care centers and retail clinics will have a \$75 copay. Echocardiograms will have a \$75 copay at Norton Healthcare locations on the Norton Healthy Living Plan. Copays will now be available for occupational and speech therapy at Tier 1 offices for \$25. The number of yearly visits for physical therapy, occupational therapy and speech therapy is increasing from 60 to 120.

Rx for Better Health program

The Rx for Better Health program is expanding beyond diabetes to include hypertension, asthma and chronic obstructive pulmonary disease (COPD). Participants' prescriptions will have reduced copays for the included conditions, and some free equipment will be available for eligible employees. The program also is available for employees and family members who would like assistance managing their medications.

Vision plan

Employees with Davis Vision Plus plan will no longer have the \$10 exam copay and will be able to change frames every 12 months. In addition, eligible employees can use their Davis Vision plans at online retailers, such as 1-800Contacts, Befitting and Glasses.com.

Employee Assistance Program

The number of visits is expanding from six per issue per household member per year to 10 per issue per household member per year.

Bereavement leave

We are expanding the bereavement leave policy to include one paid day after the loss of a niece or nephew.

LeaveLogic

In March 2021, Norton Healthcare launched a self-service online platform aimed at assisting employees with their leave planning. LeaveLogic helps employees confidentially see, understand and maximize all their leave benefits and options, based on policies and their unique situations.

N Good Health changes and updates

Our comprehensive wellness program will be undergoing updates in 2022. Among the changes are eliminating the 4 steps and launching a new portal and mobile app to better meet your well-being needs.

Before you begin

To assist you in making the benefits selections that are best for you, the following tools are available to you:

- One-on-one personal enrollment consultation. Call **(502) 629-BENE (2363)**, to make an appointment with a benefits or retirement education specialist.
- Norton Service Center for general questions at **(502) 629-8911**, option 2.

It is important that your personal information is accurate and up to date. Make all necessary updates by going to **Nsite**, selecting **Employee Services** and clicking on **My Personal Information** under **Time, Money & Benefits**. During the enrollment process, review the list below.

- Mailing address
- Marital status
- Phone number
- Correct spelling of your name and your spouse's/dependents' names
- Correct Social Security numbers and dates of birth for you and your spouse/dependents

How to choose your benefits

Online benefits enrollment is available 24/7 during the open enrollment period and can be accessed from any computer.

- From a Norton Healthcare computer, go to **Nsite**, select **Employee Services** at the top of the page, then **My Benefits**. If this is the first time you've visited the benefits site, your username is your AHSN and your password is the last four digits of your Social Security number.
- From a non-Norton Healthcare computer, go to **NortonBenefits.BSwift.com**.
- Remember to enroll before Friday, Nov. 5, at 5 p.m. EDT.

DID YOU KNOW?

This guide highlights many benefits available to you. Every effort has been made to ensure the accuracy of this information. However, the actual administration of the plans is governed by plan documents and insurance agreements. In the event of a discrepancy between these highlights and the plan documents and agreements, the documents and agreements take precedence.

Enrollment deadlines and effective dates

Employees who are:	Enrollment deadline	Effective date of coverage	Documentation required
Currently active	Friday, Nov. 5, 2021, 5 p.m.	Jan. 1, 2022	Marriage and/or birth certificate or other court documents for newly added spouse and/or dependents
New hires/rehires*	Must enroll within 31 days of hire date	First day of month following hire date	Marriage and/or birth certificate or other court documents for spouse and/or dependents
Making a status change from part-time to full-time or full-time to part-time	Must enroll within 31 days of status change	Beginning of next pay period following status change	Marriage and/or birth certificate or other court documents for newly added spouse and/or dependents
Making a status change to PRN or from PRN/registry** to full-time or part-time	Must enroll within 31 days of status change	First day of month following status change	Marriage and/or birth certificate or other court documents for newly added spouse and/or dependents
Having a life event***	Must enroll within 31 days of life event	Day of life event	Marriage and/or birth certificate or other court documents for newly added spouse and/or dependents; proof of life event
Terminating employment/leaving Norton Healthcare	Benefits automatically end	Medical, spending accounts, dental and vision accounts end on the last day of the month of termination. All other benefits end on the day of termination.	N/A

*If an employee's hire or rehire date is the first day of the month, all applicable benefits are effective on that date.

**PRN/registry employees are those hired to work on an "as needed" basis.

***Qualifying life event status changes may include:

- Marriage, divorce, legal separation, annulment or death of a spouse
- Birth, adoption, legal guardianship or death of a dependent child
- The beginning or end of an employee's or spouse's employment

- A change in your or your spouse's benefits eligibility status (e.g., a reduction or increase in hours of employment that may occur when switching between part time and full time, the start or end of an unpaid leave of absence, or spouse's open enrollment)
- A dependent child becoming eligible or ineligible for coverage
- You, your spouse or a child becoming ineligible for other coverage
- A court order requiring you, your spouse or a former spouse to provide coverage for a child
- Entitlement to Medicare by yourself, your spouse or a dependent child

DID YOU KNOW?

- If you and your spouse are employed at Norton Healthcare, both of you may select "employee plus child(ren)" coverage, but only one of you may select "employee plus spouse" or "family." Norton Healthcare provides basic life insurance at no cost, so you cannot carry spouse life coverage.
- If your dependent child works for Norton Healthcare and is eligible for basic life through Norton Healthcare, you may not carry dependent life insurance coverage on him or her, and only one of you can cover your dependent for medical, dental and vision insurance.

DON'T FORGET!

If you do not enroll by the applicable deadline, you will not have medical insurance or flexible spending accounts for 2022. You will be enrolled automatically in basic life insurance, accidental death & dismemberment, identity and credit protection, and basic long-term disability, which Norton Healthcare provides at no cost to eligible employees. You also will be enrolled automatically in the long-term disability buy-up and short-term disability coverage. You may waive these additional coverages and their costs if you complete open enrollment by the deadline. If you do not enroll in your 2022 benefits and you carry dental, vision, any additional life insurance coverage, and/or identity and credit protection family coverage in 2021, you will be enrolled automatically in these same plan(s) at the same level of coverage.

Eligibility requirements

Full- and part-time employees statused to work* 32 hours (.4 FTE) or more per pay period	Eligible for Norton Healthcare's standard benefits, which include medical, dental, vision, life, disability, spending accounts and additional benefits.
Part-time employees working less than 32 hours (.4 FTE) per pay period and PRN/registry employees	Eligible for Norton Healthcare's medical plan choices and several additional benefits, including spending accounts, Employee Discount Program (Norton Concierge Services), identity and credit protection, student loan wellness program, outpatient services discount, Norton 529 College Savings Plan and U.S. Treasury securities.
All employees	Eligible to participate in Norton Healthcare's traditional pretax and Roth 403(b) retirement savings plans.
Dependents	Employees' legal spouses and children younger than age 26 are eligible. This includes same-sex spouses of employees who have a valid, legal marriage certificate. Mentally or physically disabled children older than age 25 are eligible if the disability occurred before age 26. Children include biological and adopted children and any other dependent children, such as stepchildren or foster children. Legal documents are required for verification.

*Statused to work refers to the number of hours an employee is hired to work and may not be the same as scheduled hours. Full-time equivalent (FTE) also may be noted.

Medical coverage

Medical plan descriptions

Norton Healthcare offers two medical plans:

- Norton Healthy Living Plan with employer-funded Health Reimbursement Account (HRA)
- Norton High-Deductible Health Plan (HDHP) with optional employee-funded Health Savings Account (HSA)

Claims for both plans will be processed by Anthem. Both plans are self-insured by Norton Healthcare and are preferred provider organization (PPO) plans.

The customer service number for Anthem is
(844) 344-7416.

What does it mean that Norton Healthcare is self-insured?

Being self-insured means Norton Healthcare pays for all medical claims. Anthem simply administers the medical plans.

- This allows Norton Healthcare to design the medical plans offered to employees based on how employees use their plans.
- The employee premiums and a budgeted amount by Norton Healthcare are paid into a medical insurance fund that is administered by a third-party payer (Anthem).
- The cost of claims and administration are paid out of the medical insurance fund. However, if the costs exceed the amount in the fund, Norton Healthcare must cover those costs.
- Self-insured, employer-sponsored plans are generally more efficient and beneficial to employees because they can be designed to meet the employees' needs.

What is a PPO?

PPO plans have a network of participating providers. You pay less if you use in-network providers. You can use providers and facilities outside of the network for an additional cost. In-network and out-of-network providers are described on pages 8 and 9.

Norton Healthy Living Plan with employer-funded Health Reimbursement Account

- This plan includes a Health Reimbursement Account (HRA), which is funded by Norton Healthcare with a specific amount based on the level of coverage you elect. See page 8 for amounts. (Funds are prorated for new employees who start after Jan. 1 and those who change their level of coverage during the year.)
- Employees who choose the Norton Healthy Living Plan will receive a card like this:

Anthem BlueCross BlueShield		NORTON HEALTHCARE

Coverage(s):	Medical		
BLUE ACCESS			

Norton Healthy Living Plan

- You will receive a separate card from WEX for the HRA funds (see page 15).
- Copays apply for nonpreventive physician office visits, allergy injections and chiropractic visits.
- Most other services require the deductible to be met before the services are covered.
- Prescription copays apply based on the medication.
- The HRA funds can be used for copays, coinsurance or to pay down your deductible as long as you are enrolled in the Norton Healthy Living Plan. Unused funds (not to exceed a balance of \$4,500 in the account) can roll over to the next year if you elect the Norton Healthy Living Plan again. Rollover funds do not become available until sometime after March 31. See more details on page 14. HRA funds are owned by Norton Healthcare and cannot be taken with you if you leave the organization or switch health plans.

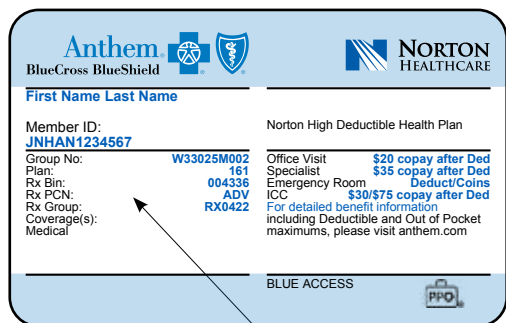

PLEASE NOTE

If you currently have a health care FSA with the Norton Healthy Living Plan and switch to the Norton High-Deductible Health Plan and fund the HSA, you must use all funds from your FSA by Dec. 31, 2021, or you will not be able to contribute to or use your HSA in 2022.

Norton High-Deductible Health Plan with optional Health Savings Account

- The Norton High-Deductible Health Plan is a low premium, IRS-qualified plan that allows you to elect an optional Health Savings Account (HSA) to help pay for unreimbursed expenses, similar to a flexible spending account (FSA).

Employees who choose the Norton High-Deductible Health Plan will receive a card like this:

Norton High Deductible Health Plan

- If you have elected to contribute to an HSA, you will receive a separate card from WEX to access those funds (see page 15).
- An HSA is employee-funded, employee-owned and portable.** Contributions roll over from year to year. See more details on page 14.
- Most medical treatments under this plan, including physician services, office visits and hospital services, require your deductible to be met before the services are covered at the applicable level.
- The Preventive Rx program covers selected preventive prescription drugs, including certain asthma and diabetes medications. Copays for these medications are credited toward your out-of-pocket maximum (which is not typical of most plans).
- All other prescription medications are available at a discounted rate, and the costs are credited toward your deductible. Once the deductible is met, prescription copays will apply and amounts paid will be credited toward your out-of-pocket maximum.

****Portable:** A benefit that you can take with you if you leave Norton Healthcare. It can be transferred to an individual plan or a new employer's plan. In addition, it is important to know that if you currently have a health care FSA with the Norton Healthy Living Plan and switch to the Norton High-Deductible Health Plan and fund the HSA, you must use all your FSA funds by Dec. 31, 2021, or you will not be able to contribute to or use your HSA in 2022.

Prescription drug coverage

Our medical plans offer prescription coverage through CVS/Caremark. During open enrollment for 2022 benefits, you can call CVS/Caremark at **(888) 266-5691** for information about medication pricing (by plan). You also can visit **Info.Caremark.com/Norton** to view information about the CVS/Caremark benefit for the plan year. The website is available year-round and provides access to benefits highlights and pricing for medications (by plan), a list of drugs in the plan formulary and a pharmacy locator.

Drug formularies may change throughout the year, so always discuss generic choices with your provider.

Once you've registered with CVS/Caremark, you will find even more tools on the website to help you manage your medications and lower your costs. It also gives you access to a pharmacist who is available to answer questions anytime, day or night.

CVS/Caremark also offers a mobile app that enables you to view your medications, set reminders to take your medication, receive notifications when your supply is running low, look up potential lower-cost prescriptions and much more.

Specialty pharmacy

If you are prescribed a specialty medication, you can have your prescription filled at Norton Specialty Pharmacy, Walgreens Specialty Pharmacy or CVS Specialty Pharmacy. These are the only in-network pharmacies for specialty medications.

90-day prescription discounts

Both medical plan choices include a 90-day prescription discount plan for maintenance medications. You will save money on copays by filling one 90-day prescription instead of three 30-day prescriptions.

The 90-day prescription discount program is available at Norton Pharmacy locations, via mail order through CVS/Caremark and at participating retail pharmacies.

DID YOU KNOW?

Prescription coverage information is shown on your medical plan ID card. You will not receive a separate card for your prescriptions. You are not required to use CVS pharmacies for your prescription medications. **Norton Pharmacy locations offer employees the lowest possible prices.**

Medical coverage

Medical plan grid number codes

- (1) Amount is prorated if you enroll after Jan. 1, 2022.
- (2) Tier 1 and Tier 2 deductibles and out-of-pocket amounts are combined.
- (3) You are not required to meet individual deductibles once the family deductible has been met.
- (4) Out-of-pocket amounts include copayments and deductibles.
- (5) Prenatal copayment applies to first visit only. Services received from Tier 1 and 2 providers require a copay only for the first prenatal visit. The remaining visits are covered at 100%.
- (6) Emergency room services and/or ambulance transportation charges are covered at the appropriate tier for emergency situations only, as defined in the Summary Plan Description located in the library on the benefits website. Log in to the benefits website, click on Library and search for the summary plan description.
- (7) Visit limits include all tier providers.
- (8) Discounted prescription payments will apply toward the deductible and out-of-pocket amounts. Once the deductible has been satisfied, copays will apply and will be credited toward out-of-pocket maximums.
- (9) Preventive prescription copays will be credited toward out-of-pocket maximums. The list of these drugs is in the library on the benefits website.
- (10) The list of specific asthma and diabetes drugs is in the library on the benefits website.
- (11) The Norton Healthy Living Plan has a separate \$2,500 out-of-pocket maximum for specialty medications. This amount does not apply to your deductible. It does apply to your regular out-of-pocket maximums.

**A deductible is the annual amount covered plan members must pay for medical expenses before the plan begins paying benefits.*

***A copayment (copay) is a fixed dollar amount that is paid for a service when it is received.*

DID YOU KNOW?

You and/or your dependents may receive a letter from Anthem, which administers our medical plans, asking if you have other insurance. It is your responsibility to complete the form and return it to Anthem.

Employee + child(ren)	\$136.55	\$75.43
Family	\$241.40	\$156.24
Monthly Part-time employees statused to work less than 32 hours (< .4 FTE) per pay period		
Employee only	\$654.24	\$184.87
Employee + spouse	\$1,308.49	\$765.32
Employee + child(ren)	\$1,262.69	\$724.68
Family	\$2,034.70	\$1,409.62

*Costs for employees statused to work fewer than 32 hours per pay period and registry** employees are not paid through payroll deduction. Premium payments are paid directly to WEX, our third-party vendor.*

†Statused to work: The number of hours per pay period an employee is hired to work. The FTE (full-time equivalent) also may be noted. An employee statused to work 80 hours a pay period (40 hours a week) would have an FTE of 1.0. The number of hours an employee is statused to work may not be the same number of hours an employee actually works or is scheduled to work in any particular pay period.

***Registry employees: Employees hired to work at Norton Healthcare on an "as needed" basis. They also may be referred to as PRN. They are statused to work 8 hours per pay period (.1 FTE).*

How to choose a medical plan

Everyone's personal circumstances differ, which is why one medical plan is not suitable for everyone. Here are some factors to consider when choosing a plan:

- What medical services do you and your family use? Look at your prior claims history and/or consider any planned procedures or surgeries.
- How often do you use medical services?
- How much do you want to pay? Plans with lower biweekly premiums generally require larger payments when medical care is provided.

Request a personal benefits enrollment consultation with a benefits education specialist.

Call **(502) 629-BENE** (2363), option 2, to make an appointment.

Don't overinsure yourself!

Supplemental medical-related insurance

In addition to the medical plans, the following supplemental plans are available for you to purchase:

Accident insurance

- Pays specific benefit amounts depending on the severity of the injury for covered, nonwork-related injuries or accidents.
- Provides a benefit for accident-related out-of-pocket expenses, depending on the severity of the injury, including emergency room visits, hospitalization and physical therapy.

Critical illness insurance

- Supplements major medical coverage by helping to pay direct and indirect costs related to a critical illness or event.
- Available for you, your spouse and/or your children up to age 26.
- Benefit amounts range from \$5,000 to \$30,000. When diagnosed with a covered critical illness, benefits are paid in a tax-free lump sum.
- Covered illnesses/events may include cancer, benign brain tumor, heart attack, stroke, HIV acquired on the job, major organ failure, coma and end-stage kidney failure.
- The plan provides one annual wellness benefit of \$150 when you complete an eligible health screening test. Covered family members also are eligible for the annual health screening benefit. The spouse benefit is \$150 and the child(ren) benefit is \$75, to a maximum of \$300 annually.

Hospital indemnity insurance

- Pays lump-sum benefits directly to you based on the amount of coverage you elect, regardless of the actual cost of treatment
- You may use the money to pay out-of-pocket and other expenses that can occur because of hospitalization

To file a claim for accident, critical illness or hospital indemnity insurance, visit **Voya.com/Claims**.

Medical providers

Norton Healthcare facilities, Norton Medical Group and Norton Cancer Institute providers are considered in-network (Tier 1). With more than 1,000 physicians, nurse practitioners and physician assistants at more than 250 locations in Greater Louisville, Norton Healthcare provides access to a large network of primary and specialty care providers in our area.

We encourage you to use Norton Healthcare providers. If you don't yet have a primary care provider, it is recommended that you find one and establish a relationship for your medical care. Keeping your health care dollars "in the family" increases our ability to improve the care and services we provide to you and our community, as well as staffing, salaries and equipment.

Finding a provider

To find a Norton Medical Group or Norton Cancer Institute provider:

- Visit **MyNortonProvider.com** or call the Norton Healthcare Access Center at **(502) 629-1234**, option 8, to make an appointment. It's that easy.

To find a specialist not available through Norton Medical Group, such as an allergist or dermatologist:

- Visit Find a Provider on **Anthem.com/Find-Care**. Search as a member, and enter **JNH** into the search bar. Enter your address or ZIP code. Care type, provider name or NPI/license number can be searched by typing into the search bar or scrolling down and selecting a provider type. Tier indicator is listed under "recognition." You also may call Anthem at **(833) 332-0791** to obtain a list of providers or to verify if your provider is a participant in Tier 1, Tier 2, or Tier 3 (out of network).

Norton Pharmacy

All Norton Pharmacy locations are full-service retail pharmacies available to employees and patients. They offer everything other retail, mail-order and specialty pharmacies do, along with personal service, private consultation areas, immunizations and the lowest cost available to Norton Healthcare employees. And when you use a Norton Pharmacy, the dollars stay in the Norton Healthcare system, which benefits all employees.

Copays for employees on a Norton Healthcare medical plan are:

- At least \$5 lower at a Norton Pharmacy than other community pharmacies
- \$0 for 90-day supplies of generics and \$75 for 90-day supplies of preferred brand drugs; \$0 copays do not apply to generic specialty drugs

Medical coverage

For Norton High-Deductible Health Plan members, the deductible must be met before the copay applies. For more information about Norton Pharmacy locations or transferring prescriptions, call one of the pharmacy numbers below.

Norton Immediate Care Centers

Norton Immediate Care Centers serve adults and children seeking walk-in medical care for minor illnesses and injuries. It's the place to go when an emergency room visit is not necessary and your primary care provider's office is closed or you're unable to get an appointment.

Most centers are open daily, 9 a.m. to 9 p.m., including holidays. Several locations have extended hours, including one open 24/7. Norton Children's After Hours pediatric care is available at the Preston location, Monday through Friday, 5 to 9 p.m.; Saturdays, 1 to 9 p.m.; and Sundays, 9 a.m. to 9 p.m.

Use the Norton Healthcare mobile app or visit **NortonHealthcare.com/ICC** to find the most convenient location for you, view wait times and even reserve your spot online.

How do I decide if I should go to the emergency room, an immediate care center or wait to see my primary care physician?

- Emergency rooms should be used only for true medical emergencies. These are significant health issues that require immediate treatment, such as:
 - Chest pain, shortness of breath and other symptoms of heart attack or stroke
 - Major broken bones
 - Significant, uncontrollable bleeding
- Go to an immediate care center when you need prompt evaluation and treatment for a condition that is not a true medical emergency. See the chart below for a list of services commonly treated at immediate care centers. Visiting a Norton Immediate Care Center instead of the emergency room also will save you time and money.
- Your primary care physician should be your first call when the situation does not require immediate attention. Your doctor has your records, knows your health history and can help determine what type of care is best for you. If you still need help determining whether you should go to the emergency room, visit a Norton Immediate Care Center or schedule an appointment with your primary care physician.

Access your health 24/7 through MyNortonChart

MyNortonChart makes it convenient for you to connect to your health by giving you online and mobile access to portions of your medical record.

With MyNortonChart, you can pay a bill, schedule an appointment, view test results and more.

To sign up, go to **NortonHealthcare.com/MyNortonChart** and click “Sign Up.” Enter the activation code from your after-visit summary.

If you don’t have an activation code, click “Sign Up,” then select “Create Account” at the bottom of the page.

Norton eCare

Norton eCare is available 24 hours a day, seven days a week, to treat a variety of common conditions and minor illnesses, as well as provide breastfeeding support. From your mobile device or computer, you can meet virtually with a Norton eCare provider from wherever you are. Access Norton eCare through MyNortonChart and choose between two types of visits for nonurgent health issues: a video visit or eVisit.

A video visit allows you to have a face-to-face secure online visit with a Norton Healthcare provider. The provider may provide a diagnosis and treatment plan or recommend you see a provider in person if necessary. An eVisit allows you to communicate with a provider via secure messaging by completing a symptom-specific questionnaire. Your answers, along with your medical record, will give the provider the information needed to form your treatment plan.

Norton eCare is covered under Norton Healthcare medical insurance plans.

For more information on Norton eCare or to schedule an appointment, go to **NortonHealthcare.com/eCare**.

Norton Prompt Care at Walgreens

Patients age 2 and older may receive care at eight Norton Prompt Care at Walgreens locations. The retail clinics are conveniently located within Walgreens stores across Greater Louisville, including Southern Indiana. Online scheduling is available and walk-ins are accepted for minor illnesses and injuries, vaccinations, physical exams, management of ongoing health conditions and more. Conditions treated include aches and pains, strep throat, flu, skin conditions and bug bites. Vaccinations, sports/camp physicals, and testing for HIV and sexually transmitted infections also are available. N Good Health physicals may be completed at Norton Prompt Care at Walgreens locations.

Norton Prompt Care at Walgreens locations are covered as Tier 1 facilities for employees under Norton Healthcare medical insurance plans.

For more information, visit **NortonHealthcare.com/PromptCare**.

Rx for Better Health

Rx for Better Health is a medication management program designed to improve the health of employees and family members (ages 18 and older) who have chronic conditions. New for 2022, the Rx for Better Health program is expanding beyond diabetes to include hypertension, asthma and chronic obstructive pulmonary disease (COPD). The program also is available for employees and family members who would like assistance managing their medications.

This program is free to employees and family members enrolled in one of Norton Healthcare’s medical plans.

Participants may receive free monitoring and testing supplies and reduced copayments on eligible medications. You also will have access to a specially trained pharmacist, who will work with you and your provider to manage your medications and conditions.

To learn more about the program or to join, call **(502) 629-8099**.

A list of eligible expenses for FSAs and HSAs is available at [WEXInc.com/Insights/Benefits-Toolkit/Eligible-Expenses](https://www.wexinc.com/insights/benefits-toolkit/eligible-expenses). WEX also administers a spending account to help you pay for commuter expenses. See "Additional benefits" on page 26 for details.

Using your spending accounts

Depending on the plans you choose, you may receive up to three WEX debit cards. Debit cards are valid for four years; see the front of your card for the expiration date. You will receive a new card automatically before your card expires.

If you are enrolled in an HRA or HSA, your card will look like one of these:

If you are enrolled in one or both of the FSA accounts, your card will look like this:

Based on your enrollment, you will receive two cards per spending account automatically. Cards are for employee and spouse or dependent over age 18. You may request additional cards through your online consumer account or by contacting WEX.

Access to all accounts will be available at **WEXInc.com**.

WEX's mobile app is available for iPhone, iPad and Android devices. It is free to download from the iTunes or Google Play stores. It allows you to:

- Check balances and manage all of your accounts.
- Submit health care and dependent care claims.
- Submit Explanations of Benefits (EOBs) or itemized receipts.
- Contact customer service.

DID YOU KNOW?

Remember, starting Jan. 1, 2022, your HRA card can be used only for 2022 expenses. Your HRA debit card cannot be used for expenses incurred in a prior year, even if funds are available in your account for that year. Example: You have an emergency and go to the hospital on Dec. 30, 2021. You receive the bill in January 2022. Because the services were provided in the prior calendar year, you cannot use your HRA card to pay. You can log in to your WEX account and use the "Pay the Provider" option for filing the claim through March 31, 2022. The other option is to pay the bill and then file for reimbursement through your WEX account.

How do I use my funds?

Participants in a Health Reimbursement Account, health care FSA and dependent day care FSA may use these choices:

- **Swipe your WEX debit card** to pay for services.
- **Out-of-pocket reimbursement.** Pay for the services, then file a reimbursement claim online.
- **File a claim** from your smartphone.
- **Pay the provider.** Have WEX send payments directly to your provider. Participants in the Health Savings Account may use their WEX card or make distribution requests, which can be paid directly to the provider or paid to you.

For more information on these choices, visit **WEXInc.com** or call **(866) 451-3399**.

PLEASE NOTE

If you currently have a health care FSA with the Norton Healthy Living Plan and switch to the Norton High-Deductible Health Plan and fund the HSA, you must use all funds by Dec. 31, 2021, from your FSA or you will not be able to contribute or use your HSA in 2022.

REMINDER!

If you have more than one type of spending account (HRA, HSA and FSA), you have a separate debit card for each. Be sure to use the right card because funds and claims cannot be transferred between accounts.

Spending accounts

Verifying or documenting expenses

The IRS requires that certain purchases be verified or documented as eligible expenses. WEX will notify you through your work email when you need to verify a card transaction. For more information, go to **WEX Inc.com** or call **(866) 451-3399**.

How do I complete the verification process?

- **Online** – Log into your WEX account, enter the claim information and upload your documentation.
- **Mobile application** – Locate your claim in the WEX mobile app, then simply take a picture of your document with your phone.
- **Fax or mail** – Download the claim form from **WEXInc.com**. Fax it along with your documentation to **(866) 451-3245** or mail it to Discovery Benefits/WEX, P.O. Box 2926, Fargo, ND 58108-2926.

Your documentation (an explanation of benefits statement is recommended) will need to include five key pieces of information:

- Date of service
- Type of service
- Provider's name
- Patient's name
- Amount you were responsible for paying

Failure to substantiate claims for the health care FSA will result in your being taxed on any unsubstantiated claims when the plan year closes. However, unsubstantiated claims in the HRA will have to be **repaid in full**, not taxed.

Plan year quick reference

Don't forget! Due to the Consolidated Appropriations Act (part of federal pandemic relief), there are extensions on filing 2020 and 2021 claims for your Flexible Spending Accounts (health care and dependent care). Use this chart for easy reference.

Plan year funds (For health care and dependent care FSAs)	Last day you can swipe your card	Last day to submit for reimbursement
2020	Dec. 31, 2021	March 31, 2022
2021	Dec. 31, 2022	March 31, 2023
2022	March 15, 2023	March 31, 2023

When you use your WEX debit card at designated Norton Healthcare facilities, you will not need to verify medically eligible medical expenses. Nonmedical purchases will still be denied.

DID YOU KNOW?

If you are enrolled in Medicare, you may continue using your previously contributed HSA funds for out-of-pocket expenses, including Medicare premiums. However, you may no longer contribute to the HSA account.

In addition, any unsubstantiated HRA claims will need to be paid back to WEX prior to the end of the plan year. If not paid to WEX, the funds will need to be paid back to Norton Healthcare in full through payroll deduction.

N Good Health

Goodbye 4 steps, hello new possibilities

N Good Health, your comprehensive wellness program, will be undergoing program updates in 2022 to better meet your well-being needs. Engage in the program all year long to focus on you and earn real-time rewards! From nutrition to physical activity, mental well-being to community belonging, a lot of things make up a healthy you!

Among the updates is a new, easy-to-use well-being portal that provides great tools and resources you can use to chart your path to a healthier lifestyle. The interactive portal features fun personal and group challenges, exercise video courses and innovative resources you can use throughout your well-being journey.

Also new for 2022 is a rewards mall, which offers real-time rewards for your engagement in the portal. The choice is yours. Choose from merchandise items, gift cards or wellness credits, or give back to the community with charitable donation options.

Other updates include:

- Easier access to your account by using the mobile app, allowing seamless syncing of steps, activity, sleep hours, nutrition and more — even with Apple devices!
- In-person or virtual assessments with a wellness team member to help guide you to resources that best meet your needs.

What do you need to do in 2022?

Starting Jan. 1, 2022, all employees need to visit **NGoodHealth.com** to create an account on the new well-being portal. NGoodHealth.com is accessible on all devices with internet access. In addition, all employees should download the Navigate Wellbeing app on their mobile devices.

How do I earn points if the 4 steps are gone?

All employees need to complete a well-being survey on **NGoodHealth.com** and their N Good Health physical by Sept. 15 to earn points.

Who can participate

All employees have access to the N Good Health wellness program, the well-being portal and mobile app. Spouses on a Norton Healthcare medical plan will have the same access.

Dental coverage

Norton Healthcare offers two dental plan choices to help you and your family: Delta Dental PPO and Delta Dental PPO Plus Premier. Claims for both plans will be processed by Delta Dental.

***New for 2022:** Employees with Davis Vision Plus plan will be able to change frames every 12 months. In addition, eligible employees can use their Davis Vision plans at online retailers, such as 1-800 Contacts, Bfitting and Glasses.com.

Life insurance and accidental death &

Norton Healthcare provides a variety of affordable life and accidental death & dismemberment (AD&D) insurance choices. The AD&D portion of the plan provides benefits in the case of death or severe injury due to an accident.

To file a claim, call Unum at **(888) 556-3727**.

Basic life and AD&D insurance

Eligible employees automatically receive basic life and AD&D insurance.

- Coverage is equal to your annual base salary as of the enrollment date.
- Coverage adjusts with each salary change.
- Minimum coverage is \$10,000.
- Maximum coverage is \$400,000.
- Guarantee issue at initial eligibility* is \$400,000.

Supplemental life and AD&D insurance

Norton Healthcare provides the option for you to purchase supplemental life and AD&D insurance.

- Coverage is available from one to four times your base annual salary.
- Coverage adjusts with each salary change.
- Maximum coverage is \$1.25 million.
- Guarantee issue at initial eligibility* is \$500,000.

Evidence of insurability

Proof of insurability, including a health questionnaire and possibly other testing at the expense of the vendor/provider, will need to be completed prior to approval if:

- Life and AD&D insurance coverage is increased by more than one time your annual base salary, or
- If supplemental coverage is more than \$500,000, or
- You elect supplemental life coverage for the first time and have been eligible for more than 31 days.

Cost of supplemental life insurance

The cost for supplemental life insurance is based on your age as of Jan. 1 of the plan year and the dollar amount of coverage you choose. You will find these rates when you come to the supplemental life insurance section during the online enrollment process.

*Guarantee issue at initial eligibility is the amount of coverage you can purchase when you first become eligible for the plan without providing evidence of insurability. Evidence of insurability requires completion of a health questionnaire and possibly other testing at the expense of the insurance vendor.

Biweekly costs based on your age and salary will be available during the online enrollment process.

Spouse life and AD&D insurance

You have the choice to purchase spouse life insurance.

- Ten choices are available in \$5,000 increments.
- Minimum coverage is \$5,000.
- Maximum coverage is the lesser of \$50,000 or 50% of your supplemental life insurance amount.
- Norton Healthcare provides basic life insurance at no cost, so you cannot carry spousal life coverage if your spouse also works for Norton Healthcare.

Cost of spouse life insurance

The cost for spouse life insurance is based on your spouse's age as of Jan. 1 of the plan year and the dollar amount of coverage you choose. You will find these rates when you come to the spouse life insurance section during the online enrollment process.

*Evidence of insurability requires completion of a health questionnaire and possibly other testing at the expense of the insurance vendor.

For spouse life insurance, biweekly costs are based on your spouse's age and amount of coverage, and will be available during the online enrollment.

dismemberment benefits

Child life insurance

Three child life insurance choices are available: \$2,500, \$5,000 and \$10,000. The biweekly cost covers all eligible children.

Child(ren) rates		
Option	Coverage amount**	Biweekly cost
1	\$ 2,500	\$ 0.29
2	\$ 5,000	\$ 0.58
3	\$ 10,000	\$ 1.16

***For each eligible child. This amount is reduced for child(ren) younger than 6 months of age. For more details, refer to the summary plan description located in the library on the benefits website.*

DID YOU KNOW?

- Norton Healthcare provides basic life insurance at no cost if you are statused to work 32 hours (.4 FTE) or more per pay period. If you and your spouse are both employed at Norton Healthcare with that status, you cannot carry spouse life coverage.
- If your dependent child works for Norton Healthcare and is eligible for basic life through Norton Healthcare, you may not carry dependent life insurance coverage on him or her, and only one of you can cover your dependent for medical, dental and vision insurance.

Whole life insurance

- Provides death benefits to designated beneficiaries
- Builds cash value that can be used while you are living
- Employee-owned, meaning you can take your policy with you at the same rate if you retire or change jobs
- As long as premiums are paid, your rate is guaranteed never to increase
- Available for you, your spouse, your children and/or your grandchildren
- To file a claim, contact Boston Mutual at **(800) 669-2668**.

For additional information or to enroll, call **(502) 629-BENE** (2363), option 2, to make an appointment with a benefits education specialist.

DID YOU KNOW?

If your dependent was disabled prior to the effective date of coverage, he or she may not be eligible for the full amount of life and AD&D coverage elected.

Disability and leave benefits

If you are unable to work due to illness or injury, disability insurance provides partial income replacement.

Pre-existing condition limitations

Limitations for pre-existing conditions will apply for the first 12 months from the effective date of your coverage if you are electing disability coverage for the first time.

The insurance company may pay for short-term disability benefits for up to four weeks of disability caused by, contributed to or resulting from a pre-existing condition if it is within the first 12 months of the effective date.

Short-term disability

Norton Healthcare will automatically enroll you in **employee-paid** short-term disability coverage equal to 75% of your base salary. You may choose to waive this coverage and its cost when you make your benefits elections.

- Benefits begin after the seventh consecutive calendar day of disability.
- Benefits are paid for up to 26 weeks (180 days) as long as you qualify.
- Disability costs are paid through payroll deduction on a pretax basis. The amount of the payments will be based on the hours and earnings an employee is statused to work. *Statused to work* refers to the number of hours and earnings an employee is hired to work and may not be the same as scheduled hours. You will find details when you come to the short-term disability section during the online enrollment process.

Long-term disability

- Norton Healthcare offers eligible employees the opportunity to purchase long-term disability benefits, which begin after you have been disabled by injury or illness for 26 weeks (180 days) upon approval of the claim.
- Norton Healthcare automatically provides eligible employees with basic long-term disability insurance equal to 50% of base salary. The maximum monthly benefit is \$2,500.
- Norton Healthcare automatically enrolls you in **employee-paid** additional long-term disability coverage equal to 60% of your base salary. You may choose to waive this additional coverage and its cost when you make your benefits elections. The maximum monthly benefit is \$10,000.
- The cost per pay period is based on salary and hourly status (FTE) and will adjust with each change in salary. You will find details when you come to the long-term disability section during the online enrollment process.

It's never too early to start planning for medical leave, family care leave, parental leave or adoption/foster care leave. Visit **NortonHealthcare.LeaveLogic.com** to get started. You also can access the link on **Nsite** under "Employee Services."

You can file your disability or leave through LeaveLogic or by contacting Unum at **(800) 572-6352**.

All eligible employees will be enrolled automatically in 75% short-term disability and 60% long-term disability coverages. You may waive these coverages and their cost.

Parental leave benefits

Norton Healthcare provides up to four weeks of paid time off at 100% pay for birth mothers and fathers, and adoptive parents.

- For birth mothers who carry short-term disability coverage, parental leave will be paid after the short-term disability ends.
- For fathers, adoptive parents and birth mothers who do not carry short-term disability coverage, parental leave is paid immediately when the leave begins. The amount of

the payments will be based on the hours an employee is statused to work and the employee's earnings. *Statused to work* refers to the number of hours an employee is hired to work and may not be the same as scheduled hours. *Full-time equivalent* (FTE) also may be noted. Leave can be taken within the first year of the birth or adoption.

You can file your parental leave through LeaveLogic at **NortonHealthcare.LeaveLogic.com** or by calling Unum at **(800) 572-6352**.

Planning for retirement

Our employees are what make us great, which is why we strive to provide exceptional benefits. We know that benefits choices can be confusing, especially retirement plans. Below is a brief breakdown of the Norton Healthcare 403(b) retirement savings plans and a few action steps to take.

Plan highlights

- **Auto enrollment:** You will be enrolled automatically in the 403(b) plan 31 days after your start date at a contribution rate of 6%. You may elect a different contribution amount at any time by logging in to your account at **Principal.com** or using the Principal app.
- **Matching contributions:** Norton Healthcare will match 100% of your contributions up to 4% on each paycheck.
- If we achieve or exceed our stewardship goal for the year, Norton Healthcare will make an additional match based on your years of service:
 - For your first 10 years of service, the additional match will be 50% on the next 2%.
 - Once you reach 10 years of service, the additional match increases to 100% on the next 2% — so stick around.
 - Make sure you contribute at least 6% of your pay to receive the full match.
- Your contribution rate will automatically increase 1% each year until it reaches 15%.
- Matching contributions are made per pay period. This allows you to take advantage of compound earnings.

It also means that matching contributions stop if you stop contributing or if you reach the maximum contribution limit for the year, so make sure you contribute all year long to take full advantage of the match!

Action steps

1. Set up your account. If you don't set it up, a cyberthief might. Go to **Principal.com/Register** to create a username and password and set up your preferences for two-factor authentication. Remember, Principal will reimburse your employer-sponsored retirement account for losses from unauthorized activity that occur through no fault of your own. Learn more at **Principal.com/Customer-Protection-Guarantee**.
2. Designate a beneficiary at **Principal.com/Beneficiary** to make sure your retirement savings are handled according to your wishes if anything happens to you. Your accounts' beneficiary designation(s) are critical because they generally override all other estate documents, including wills.

3. To access your account 24/7 from your device, download the Principal app. Visit **Principal.com/OnTheGo** or search for it on Google Play or the Apple App Store.
4. Schedule a one-on-one meeting with one of our on-site retirement education specialists, John Hill or Todd Yarbrough. They can analyze your unique needs and goals, find gaps in your savings and advise you on ways to close those gaps. To make an appointment, contact them at **hill.john@principal.com** or **yarbrough.todd@principal.com**, or call **(502) 629-BENE (2363)**, option 1.
5. Take advantage of additional financial wellness education and resources available through Principal Milestones. Learn to balance your short- and long-term financial goals by taking small actions today that may lead to a more secure future. Visit **Principal.com/Milestones** to find resources for creating a will, paying down student loan debt, creating a household budget and more — all at no cost to you.
6. For additional questions, call Principal at **(800) 547-7754**.

Time-off benefits

Norton Healthcare has designed FlexTime to provide you with as much flexibility as possible when you need paid time off. Be sure to follow your department's approval process to ensure time off doesn't create staffing or scheduling issues.

- Use FlexTime to enjoy a vacation, celebrate a holiday, take some personal time or the occasional sick day. It works like paid vacation.
- You are compensated for 100% of your base pay.

FlexTime eligibility

- All full- and part-time employees who are statused to work* a minimum of 16 hours (0.2 FTE) per pay period are eligible to accrue FlexTime with certain limited exceptions.
- PRN/registry employees,** temporary employees, executives or anyone who is covered by an employment agreement (unless the agreement states otherwise) are not eligible.

Earning FlexTime

- During the year, FlexTime is earned based on the number of hours paid, up to 80 hours per biweekly pay period.
- If you are a new employee or newly eligible within your first year, you will receive an additional 24 hours of FlexTime front-loaded.
- If you have left Norton Healthcare and been rehired within one year, or are newly eligible with over one year from date of hire, you will receive an additional 8 hours of FlexTime front-loaded.
- The FlexTime rate is based on your years of service, as shown in the chart below.

The chart also shows the maximum total amount that may be accumulated.

FlexTime accrual				
Years of service	FlexTime earned per hour of pay	FlexTime earned per 80-hour pay period	Maximum annual accrued hours	Maximum total accumulated hours
Less than 1 year	0.084615	6.769	200	200
1 - 2 years	0.096153	7.692	200	400
3 - 4 years	0.103846	8.308	216	432
5 - 9 years	0.115384	9.231	240	480
10 - 14 years	0.130769	10.462	272	544
15 - 19 years	0.138461	11.077	288	576
20 or more years	0.150000	12.000	312	624

*Statused to work refers to the number of hours an employee is hired to work and may not be the same as scheduled hours. Full-time equivalent (FTE) also may be noted.

**PRN/registry employees are those hired to work on an "as needed" basis.

Using FlexTime

- You must use FlexTime for all scheduled time off, including any holidays when your work location is closed.
- You must use FlexTime for all unscheduled time off, unless you are using disability, bereavement leave or parental leave benefits.
- You cannot use FlexTime in conjunction with or to subsidize disability benefits to receive 100% or more of your income.
- You cannot use FlexTime to delay the onset of a short-term disability or parental leave claim.

FlexTime cash-in

Employees may participate in a FlexTime cash-in (also called selling hours) under the following circumstances:

- Pre-election of desired cash-in is made once during open enrollment.
- Pre-election during open enrollment will be paid in November of the following year.
- Once the pre-election is made, it cannot be canceled, changed or modified.

- The minimum conversion election is eight hours.
- The maximum conversion election is 100 hours.
- Full-time employees must leave a balance of at least 40 hours in their FlexTime bank, and part-time employees must leave a balance of at least 20 hours in their FlexTime bank.
- If the annual pre-election FlexTime cash-in amount is more than the actual number of hours available at the time of cash-in, the cash-in will be reduced to reflect available hours less the minimum balance required.

Other time-off benefits

Norton Healthcare also provides paid time off for the following situations:

- Jury duty
- Bereavement (death in the family)

See the **Policy Library** on **Nsite** for more information about these benefits.

Additional benefits

Beyond the benefits you probably think about most, such as medical, dental, vision, spending accounts and disability insurance, Norton Healthcare offers many additional choices. Learn how these other benefits can support your health, happiness and well-being.

Adoption Assistance Program

- All employees who are statused to work a minimum of 32 (.4 FTE) hours per pay period, meet program requirements and have completed their benefits eligibility waiting period (first of the month following date of hire or rehire) are eligible.
- This benefit consists of two primary levels of support: financial assistance and parental leave.
 - The financial assistance benefit reimburses for eligible adoption expenses.
 - Refer to details regarding parental leave on page 22.
- For additional information, go to **Nsite** and select **Employee Services**, then **My Benefits** (under Time, Money & Benefits), or call the Norton Service Center at **(502) 629-8911**, option 2.

Auto and homeowners' insurance

- Discounts on auto and homeowners' insurance through Liberty Mutual.
- Several payment choices: direct billing, online payment, automatic deductions from your bank account or credit card, or payroll deduction.
- For additional information and a free no-obligation quote, visit **LibertyMutual.com/NortonHealthcare** or call **(855) 494-6787**.

Commuter Benefits Program

- Employees who are statused to work a minimum of 32 (.4 FTE) hours per pay period are able to set aside pretax dollars to use for qualifying mass transit and/or parking expenses. **Tolls are not an eligible expense per IRS regulations.**
- Funds are loaded onto your WEX debit card. (If you also have a health care and/or dependent day care flexible spending account, you will use the same card for commuter expenses. See "Spending accounts" on page 14.)
- The debit card must be used for all transit purchases and you will not receive cash reimbursements. Claims for parking can be made either by using the WEX debit card (where accepted) or submitting them to WEX within 180 days from the date you incurred the expense to receive reimbursement.

- You designate an annual amount you wish to contribute (up to \$270 per month for transit and \$270 per month for parking).
- You can change your contributions online at any time. Go to **Nsite**, select **Employee Services**, then **My Benefits** (under Time, Money & Benefits). Changes become effective on the first day of the following month.
- For additional information, contact the Norton Service Center at **(502) 629-8911**, option 2, visit **WEXInc.com** or call **(866) 451-3399**.

Driven Solutions (roadside assistance)

- This benefit is available to employees who are statused to work a minimum of 32 (.4 FTE) hours per pay period
- This program offers roadside assistance for registered members on any road, anytime.
- Services include towing, battery jump start, gas delivery (up to 3 gallons; members pay cost of fuel), flat tire change, and locksmith service. Benefit limit of up to \$125 per incident.
- Employee-only and family memberships are available.
- To enroll, go to **Nsite** and select **Employee Services**, then **My Benefits** under **Time, Money & Benefits**.
- To use services, call the toll-free number at **(800) 289-5360**.

Employee Assistance Program

- The Employee Assistance Program (EAP) provides all employees and their household family members with confidential, professional counseling, education and referral services.
- The EAP can help resolve personal or family issues before they negatively affect health, relationships or job performance.
- **New for 2022.** The program now includes up to 10 free professional counseling sessions per issue, per year, for yourself and each of your household family members through Wayne Corporation.
- All counseling sessions are conducted face to face or by telephone/video with a licensed professional.
- All sessions with a Wayne Corporation mental health professional are confidential. Wayne Corporation will not share any information regarding your involvement with the EAP without written permission, except as required by law.
- If you have mental health or substance abuse issues requiring longer-term counseling or a higher level of care, Wayne Corporation can provide referrals to an appropriate provider.

- Wayne Corporation also offers simple will-writing services. If you need a will, call Wayne Corporation and let them know you are with Norton Healthcare. They will email or mail you a packet to get you started. There is no charge for a simple will.
- To arrange for services or for more information, call Wayne Corporation 24 hours a day, 365 days a year at **(502) 451-8262** or **(800) 441-1327**, or visit **WayneCorp.com**.

Employee Discount Program (Norton Concierge Services)

- All employees are eligible to receive available employee discounts.
- We partner with Abenity, a national discount provider, to offer thousands of discounts through a user-friendly website available to all employees.
- New employees receive an email containing login information (your AHSN is your username and a password is provided in the welcome email) to get started.
- To access Norton Concierge Services, visit **NortonConciergeServices.EmployeeDiscounts.co** or go to **Nsite**, click on **Employee Services**, then select the link under **Time, Money & Benefits**.

Employee Purchase Program (Purchasing Power)

- When cash or low-interest credit is not an option, this program offers eligible employees a choice to buy things now and pay for them over time through payroll deduction. Purchasing Power, an online shopping experience, offers access to buy brand-name computers, appliances and more. While Purchasing Power is not a discount program, you can save money compared to what you would pay with high-interest credit cards or rent-to-own stores.
- The program requires no upfront cash or credit check, and offers six or 12 months to pay.
- To participate, you must be at least 18 years old, an active employee (statused to work 32 hours per pay period or .4 FTE or higher) for at least six months and earn at least \$16,000 per year. You also must have no current nonbenefit payroll deductions (such as garnishments or tax levies) and have not received a FlexTime hardship cash-out in the past 12 months.
- To get started, call **(888) 923-6236** or visit **NortonHealthcare.PurchasingPower.com**.

Employer Assisted Housing Program (for first-time homebuyers)

- Several choices are available to assist employees who are statused to work a minimum of 32 (.4 FTE) hours per pay period become first-time homebuyers:
 - Homebuyer education and counseling: Employees who complete this receive a \$5,000 forgivable loan.
 - Habitat for Humanity: Buying a Habitat home may be an option for eligible employees.
- For program details and enrollment packets, go to **Nsite** and click on **Policies & Forms**.
- For more information, contact the Housing Partnership Inc. at **(502) 814-2720** or email Ashley Poff at **ashley.poff@nortonhealthcare.org**.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2021. Contact your State for more information on eligibility –

IMPORTANT NOTICE

This packet of notices related to our health care plan includes a notice regarding how the plan's prescription drug coverage compares to Medicare Part D. If you or a covered family member is also enrolled in Medicare Parts A or B, but not Part D, you should read the Medicare Part D notice carefully. It is titled, "Important Notice From Norton Healthcare About Your Prescription Drug Coverage and Medicare."

IMPORTANT NOTICE FROM NORTON HEALTHCARE ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE

MEDICARE PART D CREDITABLE COVERAGE NOTICE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Norton Healthcare and about your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. If neither you nor any of your covered dependents are eligible for or have Medicare, this notice does not apply to you or your dependents, as the case may be. However, you should still keep a copy of this notice in the event you or a dependent should qualify for coverage under Medicare in the future. Please note, however, that later notices might supersede this notice.

1) Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2) Norton Healthcare has determined that the prescription drug coverage offered by the Norton Healthcare Healthy Living Plan and the Norton Healthcare High Deductible Plan ("Plan") are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and are considered "creditable" prescription drug coverage. This is important for the reasons described below.

Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to enroll in a Medicare drug plan, as long as you later enroll within specific time periods.

Enrolling in Medicare—General Rules

As some background, you can join a Medicare drug plan when you first become eligible for Medicare. If you qualify for Medicare due to age, you may enroll in a Medicare drug plan during a seven-month initial enrollment period. That period begins three months prior to your 65th birthday, includes the month you turn 65, and continues for the ensuing three months. If you qualify for Medicare due to disability or end-stage renal disease, your initial Medicare Part D enrollment period depends on the date your disability or treatment began. For more information you should contact Medicare at the telephone number or web address listed below.

Late Enrollment and the Late Enrollment Penalty

If you decide to *wait* to enroll in a Medicare drug plan you may enroll later, during Medicare Part D's annual enrollment period, which runs each year from October 15 through December 7. But as a general rule, if you delay your enrollment in Medicare Part D, after first becoming eligible to enroll, you may have to pay a higher premium (a penalty).

If after your initial Medicare Part D enrollment period you go **63 continuous days or longer without "creditable" prescription drug coverage** (that is, prescription drug coverage that's at least as good as Medicare's prescription drug coverage), your monthly Part D premium may go up by at least 1 percent of the premium you would have paid had you enrolled timely, for every month that you did not have creditable coverage.

For example, if after your Medicare Part D initial enrollment period you go 19 months without coverage, your premium may be at least 19% higher than the premium you otherwise would have paid. You may have to pay this higher premium for as long as you have Medicare prescription drug coverage. *However, there are some important exceptions to the late enrollment penalty.*

Special Enrollment Period Exceptions to the Late Enrollment Penalty

There are "special enrollment periods" that allow you to add Medicare Part D coverage months or even years after you first became eligible to do so, without a penalty. For example, if after your Medicare Part D initial enrollment period you lose or decide to leave employer-sponsored or union-sponsored health coverage that includes "creditable" prescription drug coverage, you will be eligible to join a Medicare drug plan at that time.

In addition, if you otherwise lose other creditable prescription drug coverage (such as under an individual policy) through no fault of your own, you will be able to join a Medicare drug plan, again without penalty. These special enrollment periods end two months after the month in which your other coverage ends.

Compare Coverage

You should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. See the Norton Healthcare Healthy Living Plan and the Norton Healthcare High Deductible Health Plan summary plan description for a

summary of the Plan's prescription drug coverage. If you don't have a copy, you can get one by contacting us at the telephone number or address listed below.

Coordinating Other Coverage With Medicare Part D

Generally speaking, if you decide to join a Medicare drug plan while covered under the Norton Healthcare Healthy Living Plan or the Norton Healthcare High Deductible Health Plan due to your employment (or someone else's employment, such as a spouse or parent), your coverage under the Norton Healthcare Healthy Living Plan or the Norton Healthcare High Deductible Health Plan will not be affected. For most persons covered under the Plan, the Plan will pay prescription drug benefits first, and Medicare will determine its payments second. For more information about this issue of what program pays first and what program pays second, see the Plan's summary plan description or contact Medicare at the telephone number or web address listed below.

If you do decide to join a Medicare drug plan and drop your Norton Healthcare prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back. To regain coverage you would have to re-enroll in the Plan, pursuant to the Plan's eligibility and enrollment rules. You should review the Plan's summary plan description to determine if and when you are allowed to add coverage.

For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information, or call (502) 629-8911, Option 2. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Norton Healthcare changes. You also may request a copy.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

Visit www.medicare.gov.

Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.

Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).

Date: July 1, 2021 Name of Entity/Sender: Norton Service Center Address: 9500 Ormsby Station Road, Ste 100, Louisville, KY 40223 Phone Number: (502) 629-8911, Option 2

Nothing in this notice gives you or your dependents a right to coverage under the Plan. Your (or your dependents') right to coverage under the Plan is determined solely under the terms of the Plan.

HIPAA COMPREHENSIVE NOTICE OF PRIVACY POLICY AND PROCEDURES

NORTON HEALTHCARE

IMPORTANT NOTICE COMPREHENSIVE NOTICE OF PRIVACY POLICY AND PROCEDURES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This notice is provided to you on behalf of:

Norton Healthcare, Inc. Welfare Benefit Plan*

* This notice pertains only to healthcare coverage provided under the plan.

The Plan's Duty to Safeguard Your Protected Health Information

Individually identifiable information about your past, present, or future health or condition, the provision of health care to you, or payment for the health care is considered "Protected Health Information" ("PHI"). The Plan is required to extend certain protections to your PHI, and to give you this notice about its privacy practices that explains how, when, and why the Plan may use or disclose your PHI. Except in specified circumstances, the Plan may use or disclose only the minimum necessary PHI to accomplish the purpose of the use or disclosure.

The Plan is required to follow the privacy practices described in this notice, though it reserves the right to change those practices and the terms of this notice at any time. If it does so, and the change is material, you will receive a revised version of this Notice either by hand delivery, mail delivery to your last known address, or some other fashion. This notice, and any material revisions of it, will also be provided to you in writing upon your request (ask your Human Resources representative, or contact the Plan's Privacy Official, described below), and will be posted on any website maintained by Norton Healthcare that describes benefits

available to employees and dependents.

You may also receive one or more other privacy notices from insurance companies that provide benefits under the Plan. Those notices will describe how the insurance companies use and disclose PHI and your rights with respect to the PHI they maintain.

How the Plan May Use and Disclose Your Protected Health Information

The Plan uses and discloses PHI for a variety of reasons. For its routine uses and disclosures it does not require your authorization, but for other uses and disclosures, your authorization (or the authorization of your personal representative (e.g., a person who is your custodian, guardian, or has your power-of-attorney) may be required. The following offers more description and examples of the Plan's uses and disclosures of your PHI.

Uses and Disclosures Relating to Treatment, Payment, or Health Care Operations.

Treatment: Generally, and as you would expect, the Plan is permitted to disclose your PHI for purposes of your medical treatment. Thus, it may disclose your PHI to doctors, nurses, hospitals, emergency medical technicians, pharmacists, and other health care professionals where the disclosure is for your medical treatment. For example, if you are injured in an accident, and it's important for your treatment team to know your blood type, the Plan could disclose that PHI to the team in order to allow it to more effectively provide treatment to you.

Payment: Of course, the Plan's most important function, as far as you are concerned, is that it *pays for* all or some of the medical care you receive (provided the care is covered by the Plan). In the course of its payment operations, the Plan receives a substantial amount of PHI about you. For example, doctors, hospitals, and pharmacies that provide you care send the Plan detailed information about the care they provided, so that they can be paid for their services. The Plan may also share your PHI with other plans in certain cases. For example, if you are covered by more than one health care plan (e.g., covered by this Plan and your spouse's plan or covered by the plans covering your father and mother), we may share your PHI with the other plans to coordinate payment of your claims.

Health care Operations: The Plan may use and disclose your PHI in the course of its "health care operations." For example, it may use your PHI in evaluating the quality of services you received or disclose your PHI to an accountant or attorney for audit purposes. In some cases, the Plan may disclose your PHI to insurance companies for purposes of obtaining various insurance coverages. However, the Plan will not disclose, for underwriting purposes, PHI that is genetic information.

Other Uses and Disclosures of Your PHI Not Requiring Authorization. The law provides that the Plan may use and disclose your PHI without authorization in the following circumstances:

To the Plan Sponsor: The Plan may disclose PHI to the employers (such as Norton Healthcare) who sponsor or maintain the Plan for the benefit of employees and dependents. However, the PHI may only be used for limited purposes, and may not be used for purposes of employment-related actions or decisions or in connection with any other benefit or employee benefit plan of the employers. PHI may be disclosed to: the human resources or employee benefits department for purposes of enrollments and disenrollments, census, claim resolutions, and other matters related to Plan administration; payroll department for purposes of ensuring appropriate payroll deductions and other payments by covered persons for their coverage; information technology department, as needed for preparation of data compilations and reports related to Plan administration; finance department for purposes of reconciling appropriate payments of premium to and benefits from the Plan, and other matters related to Plan administration; internal legal counsel to assist with resolution of claim, coverage, and other disputes related to the Plan's provision of benefits.

To the Plan's Service Providers: The Plan may disclose PHI to its service providers ("business associates") who perform claim payment and plan management services. The Plan requires a written contract that obligates the business associate to safeguard and limit the use of PHI.

Required by Law: The Plan may disclose PHI when a law requires that it report information about suspected abuse, neglect, or domestic violence, or relating to suspected criminal activity, or in response to a court order. It must also disclose PHI to authorities that monitor compliance with these privacy requirements.

For Public Health Activities: The Plan may disclose PHI when required to collect information about disease or injury, or to report vital statistics to the public health authority.

For Health Oversight Activities: The Plan may disclose PHI to agencies or departments responsible for monitoring the health care system for such purposes as reporting or investigation of unusual incidents.

Relating to Decedents: The Plan may disclose PHI relating to an individual's death to coroners, medical examiners, or funeral directors, and to organ procurement organizations relating to organ, eye, or tissue donations or transplants.

For Research Purposes: In certain circumstances, and under strict supervision of a privacy board, the Plan may disclose PHI to assist medical and psychiatric research.

To Avert Threat to Health or Safety: In order to avoid a serious threat to health or safety, the Plan may disclose PHI as necessary to law enforcement or other persons who can reasonably prevent or lessen the threat of harm.

For Specific Government Functions: The Plan may disclose PHI of military

personnel and veterans in certain situations, to correctional facilities in certain situations, to government programs relating to eligibility and enrollment, and for national security reasons.

Uses and Disclosures Requiring Authorization: For uses and disclosures beyond treatment, payment, and operations purposes, and for reasons not included in one of the exceptions described above, the Plan is required to have your written authorization. For example, uses and disclosures of psychotherapy notes, uses and disclosures of PHI for marketing purposes, and disclosures that constitute a sale of PHI would require your authorization. Your authorization can be revoked at any time to stop future uses and disclosures, except to the extent that the Plan has already undertaken an action in reliance upon your authorization.

Uses and Disclosures Requiring You to Have an Opportunity to Object: The Plan may share PHI with your family, friend, or other person involved in your care, or payment for your care. We may also share PHI with these people to notify them about your location, general condition, or death. However, the Plan may disclose your PHI only if it informs you about the disclosure in advance and you do not object (but if there is an emergency situation and you cannot be given your opportunity to object, disclosure may be made if it is consistent with any prior expressed wishes and disclosure is determined to be in your best interests; you must be informed and given an opportunity to object to further disclosure as soon as you are able to do so).

Your Rights Regarding Your Protected Health Information

You have the following rights relating to your protected health information:

To Request Restrictions on Uses and Disclosures: You have the right to ask that the Plan limit how it uses or discloses your PHI. The Plan will consider your request, but is not legally bound to agree to the restriction. To the extent that it agrees to any restrictions on its use or disclosure of your PHI, it will put the agreement in writing and abide by it except in emergency situations. The Plan cannot agree to limit uses or disclosures that are required by law.

To Choose How the Plan Contacts You: You have the right to ask that the Plan send you information at an alternative address or by an alternative means. To request confidential communications, you must make your request in writing to the Privacy Official. We will not ask you the reason for your request. Your request must specify how or where you wish to be contacted. The Plan must agree to your request as long as it is reasonably easy for it to accommodate the request.

To Inspect and Copy Your PHI: Unless your access is restricted for clear and documented treatment reasons, you have a right to see your PHI in the possession of the Plan or its vendors if you put your request in writing. The Plan, or someone on behalf of the Plan, will respond to your request, normally within 30 days. If your request is denied, you will receive written reasons for the denial and an explanation of any right to have the denial reviewed. If you want copies of your PHI, a charge for copying may be imposed but may be waived, depending on your circumstances. You have a right to choose what portions of your information you want copied and to receive, upon request, prior information on the cost of copying.

To Request Amendment of Your PHI: If you believe that there is a mistake or missing information in a record of your PHI held by the Plan or one of its vendors you may request in writing that the record be corrected or supplemented. The Plan or someone on its behalf will respond, normally within 60 days of receiving your request. The Plan may deny the request if it is determined that the PHI is: (i) correct and complete; (ii) not created by the Plan or its vendor and/or not part of the Plan's or vendor's records; or (iii) not permitted to be disclosed. Any denial will state the reasons for denial and explain your rights to have the request and denial, along with any statement in response that you provide, appended to your PHI. If the request for amendment is approved, the Plan or vendor, as the case may be, will change the PHI and so inform you, and tell others that need to know about the change in the PHI.

To Find Out What Disclosures Have Been Made: You have a right to get a list of when, to whom, for what purpose, and what portion of your PHI has been released by the Plan and its vendors, other than instances of disclosure for which you gave authorization, or instances where the disclosure was made to you or your family. In addition, the disclosure list will not include disclosures for treatment, payment, or health care operations. The list also will not include any disclosures made for national security purposes, to law enforcement officials or correctional facilities, or before the date the federal privacy rules applied to the Plan. You will normally receive a response to your written request for such a list within 60 days after you make the request in writing. Your request can relate to disclosures going as far back as six years. There will be no charge for up to one such list each year. There may be a charge for more frequent requests.

How to Complain About the Plan's Privacy Practices

If you think the Plan or one of its vendors may have violated your privacy rights, or if you disagree with a decision made by the Plan or a vendor about access to your PHI, you may file a complaint with the person listed in the section immediately below. You also may file a written complaint with the Secretary of the U.S. Department of Health and Human Services. The law does not permit anyone to take retaliatory action against you if you make such complaints.

Notification of a Privacy Breach

Any individual whose unsecured PHI has been, or is reasonably believed to have been used, accessed, acquired or disclosed in an unauthorized manner will receive written notification from the Plan within 60 days of the discovery of the breach.

If the breach involves 500 or more residents of a state, the Plan will notify prominent media outlets in the state. The Plan will maintain a log of security breaches and will report this information to HHS on an annual basis. Immediate reporting from the Plan to HHS is required if a security breach involves 500 or more people.

Contact Person for Information, or to Submit a Complaint

If you have questions about this notice please contact the Plan's Privacy Official or Deputy Privacy Official(s) (see below). If you have any complaints about the Plan's privacy practices, handling of your PHI, or *breach notification process*, please contact the Privacy Official or an authorized Deputy Privacy Official.

Privacy Official

The Plan's Privacy Official, the person responsible for ensuring compliance with this notice, is:

Privacy Officer, (502) 629-8911

Effective Date

The effective date of this notice is: July 1, 2021.

NORTON HEALTHCARE EMPLOYEE HEALTH CARE PLAN

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to later enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

Loss of eligibility includes but is not limited to:

Loss of eligibility for coverage as a result of ceasing to meet the plan's eligibility requirements (e.g., divorce, cessation of dependent status, death of an employee, termination of employment, reduction in the number of hours of employment);

Loss of HMO coverage because the person no longer resides or works in the HMO service area and no other coverage option is available through the HMO plan sponsor;

Elimination of the coverage option a person was enrolled in, and another option is not offered in its place;

Failing to return from an FMLA leave of absence; and

Loss of eligibility under Medicaid or the Children's Health Insurance Program (CHIP).

Unless the event giving rise to your special enrollment right is a loss of eligibility under Medicaid or CHIP, you must request enrollment within *30 days* after your or your dependent's(s') other coverage ends (or after the employer that sponsors that coverage stops contributing toward the coverage).

If the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you may request enrollment under this plan within *60 days* of the date you or your dependent(s) lose such coverage under Medicaid or CHIP.

Similarly, if you or your dependent(s) become eligible for a state-granted premium subsidy toward this plan, you may request enrollment under this plan within *60 days* after the date Medicaid or CHIP determine that you or the dependent(s) qualify for the subsidy.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within *30 days* after the marriage, birth, adoption, or placement for adoption.

Norton Healthcare Wellness Program is a voluntary wellness program available to all employees of Norton Healthcare, as well as spouses enrolled in the medical plan. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990 (ADA), the Genetic Information Nondiscrimination Act of 2008 (GINA), and the Health Insurance Portability and Accountability Act, as applicable, among others.

Details about the wellness program, including criteria and incentives, can be found in the Open Enrollment Guide or at ngoodhealth.com.

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting the N Good Health Department at (502) 629-2162 or ngoodhealth.com.

The information from the N Good Health Physical and the Health Risk Assessment will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health coaching or navigation. You also are encouraged to share your results or concerns with your own doctor.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Norton Healthcare may use aggregate information it collects to design a program based on identified health risks in the workplace, the wellness program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) the N Good Health team and their business associates in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the N Good Health Department at (502) 629-2162 or ngoodhealth.com.
