

# CAREER-READY

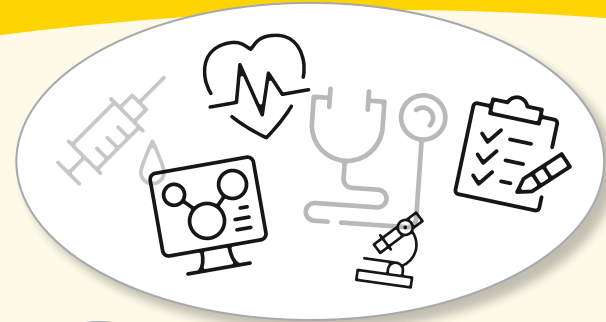

## Bachelor of Science in Nursing Program

We're excited you are taking this first step toward a career as a registered nurse! Through Norton Healthcare's partnership with Bellarmine University, you are on track for a meaningful career in health care starting your senior year.

### Take note of this important information before signing up for the Career-Ready Bachelor of Science in Nursing Program:

- **High school** – You must remain enrolled in high school throughout the program. Your anticipated high school graduation is May 2027. Contact your school resource center for questions about your high school class schedule and courses required to graduate.
- **Bellarmino University** – Throughout the program, you must meet and adhere to Bellarmine University Donna and Allan Lansing School of Nursing and Clinical Sciences' requirements for student nurses, as published in the BSN Student Handbook. Your anticipated program completion is May 2030. For questions about the curriculum and participation requirements, contact Emily Nation, M.A., director of nursing operations, at [enation@bellarmine.edu](mailto:enation@bellarmine.edu). For questions about program admissions, contact Diane MacKenzie, Ph.D., director, dual credit institute, at [dmackenzie@bellarmine.edu](mailto:dmackenzie@bellarmine.edu).
- **Tuition assistance** is available for program participants through the Norton Healthcare Scholars Program. You must remain up to date with program requirements to continue receiving tuition assistance. For questions about tuition assistance, email [WorkforceDevelopment@nortonhealthcare.org](mailto:WorkforceDevelopment@nortonhealthcare.org).

To be considered for employment after completing the program, you must apply and interview for a registered nurse position and meet all pre-employment requirements.
