

CAREER-READY

Registered Nurse First Assist Program

Norton Healthcare Center for Nursing Practice is expanding its program for surgical registered nurses! When you participate in this program, you'll be employed with Norton Healthcare in a student registered nurse first assist position. You will be trained to elevate your registered nurse practice to scrub, circulate and assist within designated surgical cases. Once you complete the program and earn privileges, you will transition to a registered nurse first assist position.

Program overview

This program is made possible through a collaboration between Norton Healthcare and St. Elizabeth Healthcare. The self-paced program averages one year in length and has a hybrid structure:

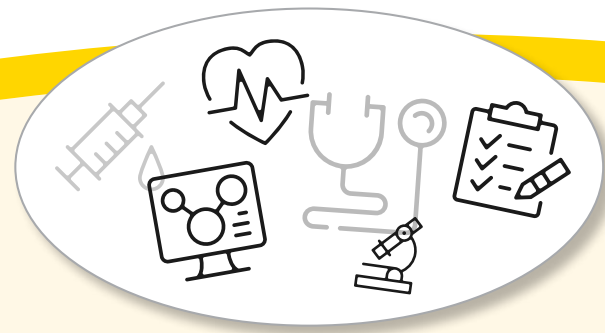

- Virtual course content
- Three consecutive skill days on-site at St. Elizabeth Healthcare in Edgewood, Kentucky
- 130 clinical hours with Norton Healthcare at select hospital locations
- You may be eligible for tuition assistance

Eligibility requirements

You must meet the following criteria to apply:

- Current Kentucky and Indiana registered nurse license
- Bachelor's degree
- Two years of perioperative experience
- Certified nurse operating room (CNOR) certification
- Two letters of recommendation; one must be from a Norton Healthcare surgeon

To be considered for employment after completing the program, you must apply and interview for a registered nurse first assist position and meet all pre-employment requirements.
