

# Pre-admission Testing

You will need to complete the pre-admission process, including a COVID-19 nasopharyngeal swab test arranged by your surgeon, so we can clear you for your upcoming procedure. This is necessary to reduce the risk of infection before your procedure. Be sure to bring photo identification.

Your COVID-19 swab test will take place at:

## **Norton Respiratory Illness Testing Center – Hikes Point**

2949 Breckenridge Lane  
Louisville, Kentucky

### **Hours**

Monday through Friday • 8 to 11:30 a.m.; 12:30 to 4 p.m.  
Saturday • 9 a.m. to 1 p.m.

This is a drive-thru testing location. Follow these instructions carefully:

- If you enter the lot from Taylorsville Road, proceed to the north, rear entrance of the testing center.
- If you enter the lot from Breckenridge Lane, drive counterclockwise around the testing center and go to the north, rear entrance.

For your appointment

- Bring a photo ID for the patient or patient's legal guardian.
- Team members and signage on-site will guide you through the process.
- Stay in your vehicle at all times.
- Our staff will perform the swab test to ensure proper collection of the sample.

After your appointment

- Test results will go directly to your surgeon's office.
- Follow your surgeon's directions before your surgery, including frequently cleaning your hands, wearing a mask and practicing social distancing when possible.
- If you have any questions, contact your surgeon's office directly.
