

NORTON RESPIRATORY ILLNESS TESTING CENTER

COVID-19 drive-thru testing is available by appointment only. To schedule an appointment, visit [NortonHealthcare.com/RITC](https://www.nortonhealthcare.com/RITC) or call **(502) 861-4611**, option 1.

Appointment is required

- If you are scheduling online, and an existing Norton Healthcare patient with a MyNortonChart account, sign in using your MyNortonChart username and password.
- Enter “covid test” as your reason for visit.
- No more than four people per vehicle may be tested. All must have their own appointment under their own name.

What should I bring?

- Any photo ID

What should I expect when I arrive?

This is a drive-thru testing location. Follow these instructions carefully:

- Staff will guide you through the process. Please follow the instructions and signs.
- For the protection of patients and staff, we ask that everyone in the vehicle wear a face covering.
- Stay in your vehicle at all times. A team member will come to you to perform the test.
- You cannot use a cellphone while in the testing area.

How long does it take to get my results?

- You should expect to receive results in two to three days. Holidays may delay results.
- The fastest way to receive results is through MyNortonChart.

How will I receive my results?

- If your test is positive, we will call you.
- If your test result is negative, you will receive a letter in the mail.
- Your results also will be available in MyNortonChart **if you have an active account before your test.** This is the fastest way to get your test results. If you do not have a free MyNortonChart account, visit

[NortonHealthcare.com/MyNortonChart](https://www.nortonhealthcare.com/MyNortonChart) to sign up.
