

Norton Respiratory Illness Testing Center

Norton Respiratory Illness Testing Center
3101 Poplar Level Road (former Walmart Neighborhood Market building) Louisville, Kentucky
(502) 638-3717

This is a drive-through testing location. Follow these instructions carefully:

- Turn onto Audubon Plaza Drive and head south.
- Turn right into the Norton Respiratory Illness Testing Center.
- Team members and signage on-site will guide you through the process.
- Stay in your vehicle at all times. The team will come to you to perform the swab test.
- Test results typically are available within three to five days.
