FREE COVID-19 TESTING EVENT
in Partnership With St. Stephen Baptist Church

Saturday, July 11 • 10 a.m. to 4 p.m.
Drive-thru testing is available by appointment only.

Registration is required

- Register for a test at **https://bit.ly/NHCCovid19Test2**, or by calling **(502) 861-4600**, option 1.

- If registering online, enter "Covid test" as the reason for your visit.

- You do not need to enter your insurance information, as the test will not be billed. You may skip this screen.

- Each person with you who wishes to be tested will need to be scheduled and registered for their own appointment. (Example: If you have a family of four in your vehicle, all four must be scheduled and registered. **No more than four passengers per car may be tested.**)

What should I bring?

- Any photo ID

What should I expect when I arrive?

This is a drive-thru testing location. Follow these instructions carefully:

- Turn onto South 15th Street.

- Turn right into the parking lot.

- You must remain in your vehicle at all times.

- Volunteers will guide you through the process. Please follow the instructions and signs.

- Please note that media will be invited and may attend the testing event.

- Please note that cellphone usage is not allowed while in the testing area.
How long does it take to get my results?

- You should receive results in five to 10 days.

- You can receive your results faster through MyNortonChart.

How will I receive my results?

- If your test is positive, we will call you.

- If your test result is negative, you will receive a letter in the mail. Your results also will be available in MyNortonChart **if you have an active account before your test**. This is the fastest way to get your test results. If you do not have a free MyNortonChart account, visit **NortonHealthcare.com/MyNortonChart** to sign up.

Is there a charge or will I be billed for my COVID-19 test?

- You will not be charged for the test.

St. Stephen Church
